

Courses accepted for articulation from Fayette County Career and Technical Institute
 Note: Articulated courses are treated as advanced placed courses and appear on the first semester transcript with a letter grade of AP

Laurel Course	FCCTI Hours	Grade Required from High School
No Transfer or Credit Hours COS101 Hair Shaping I COS102 Hair Styling I COS122 Chemical Texture Services COS111 Manicuring, Pedicuring & Nail Design COS131 Esthetics & Histology COS103 Hair Structure & Chemistry COS105 Hair Coloring I	Less than 300 hours experience at any vocational school Between 300 and 630 hours experience at vocational school.	Start the LBI/LTI Cosmetology program from the Beginning A student wishing to transfer must provide an official transcript of competencies and hours from the vocational school attended. The student may challenge LBI/LTI's first semester courses with a skills demonstration and theory exam for each course at no cost to the student. The evaluation will be conducted by the Cosmetology Director or Supervisor at each location. Any course for which the student scores 85% or higher will advance place the student for that class. Student will complete the remainder of the courses on their program sheet as an LBI/LTI student, receiving a letter grade for each class. Hours completed at LBI/LTI will be added to the student's record at the State Board of Cosmetology.
COS104 Salon Retailing & Clinic Preparation COS121 Cosmetology Science Theory COS106 Ethnic Hair Studies COS202 Hair Styling II COS201 Hair Shaping II COS205 Hair Coloring II COS501 Clinic I	Between 630 and 1000 hours experience at any vocational school	A student wishing to transfer must provide an official transcript of competencies and hours from the vocational school attended. May challenge LBI/LTI first and/or second semester cosmetology courses with a skills demonstration and theory exam for each course at no cost to the student. Any course for which the student scores 85% or higher may advance place up to 45% (651 hours) of their program. Student will complete the remainder of the courses on the program sheet as an LBI/LTI student, receiving a letter grade for each class. Hours completed at LBI/LTI will be added to the student's record at the State Board of Cosmetology.
More than 1000 hours at any vocational school	Complete hours needed to sit for license exam.	A student that has already tested with the State Board of Cosmetology and wishes to complete their hours in order to receive their license must provide an official transcript from their previous school, a copy of their NOCTI results, and the completed PA state board affidavit from their prior school. The student will also meet with the Cosmetology Director to discuss the assigned days and hours the student will attend to complete. Once the hours completed at LBI/LTI are verified by the Program Director or Supervisor, they will be recorded at the State Board of Cosmetology. The Program Director or supervisor will complete the final affidavit and send all required paperwork to the State Board for the student to receive their license. Students will pay an hourly rate to complete hours needed to sit for State Board Licensure. No LBI/LTI diploma will be awarded.
